

## **FORENSIC SCIENTIST 3 – Latent Prints**

**Salary: \$49,272 - \$63,096 per year**

The Washington State Patrol Forensic Laboratory Services Bureau is seeking candidates for the position of Forensic Scientist 3 in the Latent Prints Laboratory in Olympia.

### **Qualifications:**

Minimum qualifications for this position include a Bachelor's degree in forensic science or a related natural science or equivalent experience

AND

Three years of experience as a Forensic Scientist or equivalent, or three years technical experience in a forensic document laboratory, which include performing analyses of evidential documents, and testifying as an expert witness in courts of law.

Background investigations, including a polygraph exam, are required due to the nature and security requirements of the position. Candidates who are invited to take a background and polygraph exam will be required to sign a waiver authorizing the Washington State Patrol to access any and all professional and personal information to include any records of a confidential or privileged nature. The information obtained during this process will not be made available or accessible to the candidate. Background investigations are part of the pre-employment selection process and are not a commitment to employment.

### **Application Procedure:**

Individuals interested in this opportunity may apply by completing a [Washington State Application](#) and a [WSP Personnel Background Evaluation](#) (PBE) form. Please note that the WSP has certain hiring standards that each employee must meet, outlined on our PBE. Those who meet the standards are encouraged to apply.

Please submit application materials to:

Washington State Patrol  
Human Resource Division  
P.O. Box 42620  
Olympia, WA 98504-2620

**This fall the Department of Personnel will be transitioning to E-recruiting, a new applicant tracking system. Applicants will need to re-apply for placement on registers in the new system after September 30, 2006.**
